

**A SPECIAL, FREE WORKSHOP  
FOR PARENTS!**

# **COLLABORATIVE PROBLEM SOLVING:**

**Engaging Your Children In Solving Their Own  
Problems to  
Reduce or Eliminate Meltdowns/Explosions**

**Learn & practice how to collaboratively problem  
solve with your child!**

**This approach to parenting will:**

- » reduce or eliminate meltdowns & explosions in your child
  - » teach critical thinking skills such as problem-solving, prioritizing & communication skills & more
  - » help your child to “shift gears” easier
- » help your child be more adaptable & flexible in their thinking

**Presented by Ted Kasper, MA, LMSW, licensed clinical social worker**
